

RESPECT 4 NEURODEVELOPMENT

2023 Annual Conference

POSTER SUBMISSIONS

We invite abstract submissions for poster presentations, particularly those related to the following research areas:

- Early brain development and neurodevelopmental conditions
- Neurotechnology (particularly its application to developmental populations)
- Ethical issues arising from the use of neurotechnologies

To apply for a poster presentation, please send your completed abstract to:

R4N@kcl.ac.uk, by **Monday 16th October 2023, 5pm** (BST).

Abstracts must be in Microsoft Word and include:

- Abstract title
- Name and institution of presenting author
- Name and institution of co-authors
- Email address of presenting author
- A scientific abstract (up to 250 words) including: Introduction, Methods, Results*, Conclusion
- *We appreciate that Researchers may like to showcase novel research where final results are not yet available such as registered reports, or where data collection is still in progress. We will consider these abstracts. Please include an analysis plan and, where possible, preliminary or pilot data.

We aim to notify applicants by **Tuesday 24th October 2023**.

If you have any queries, please contact us at R4N@kcl.ac.uk
